 September 2015

Dear Assistant Commissioner Gilles Michaud,

On behalf of the Trenton Scottish & Irish Festival (TSIF) I would like to extend my sincerest thanks to Pipe Major Graeme Ogilvie and each member of the RCMP Pipes, Drums & Dancers of the National Capital Region for their outstandingly professional performances on 11 and 12 September 2015.

Each member came very well prepared and contributed immensely throughout the rehearsals and performances for the Friday evening tattoo. Their exceptional musicianship, dancing, and professionalism of the entire corps was well noted by all the performers and audience members of the evening. Sadly, some of the events were rained out on Saturday, but their keen readiness to perform did not go unnoticed.

I'd also like to make a special note of thanks to Pipe Major Ogilvie, Drum Major Graham Muir, and Pipe Sergeant Gilbert Young. They effortlessly took charge of their members and ensured the band and dancers were where they were required to be at all times. They were also a great support to me and the committee in assisting with the massed bands tune up and in arranging all of their logistical requirements for the two days.

Once again, please pass along my greatest thanks for the fantastic effort and music put forward by the band. It was a true pleasure to have them participate in this year's festival. I very much look forward to working with you again in the near future.

Warmest regards,

Joshua C. McFarlane
