Commander Duheme:

I wanted to write and express my great personal pleasure, as well as all of us at NHSCOT, in working with P/Sgt Gilbert Young and D/M Brad Hampson and all of the members of the RCMP Pipes and Drums. They, as always, presented such great shows and were such wonderful ambassadors for the RCMP and Canada! From my personal standpoint, I was a little apprehensive as this was the first time I had been to the forefront in coordinating their visit. P/Sgt Young was most forgiving and patient with me, making my job so much easier. I wear many hats here at NHSCOT from bookkeeper to Volunteer Manager so his patience and understanding were much appreciated.

From the time that they arrived, the members of the RCMP Pipes and Drums exhibited the professionalism we expect but also the openness, friendly and approachable personas that allowed so many people to talk to them, have photos taken and despite the excessive heat - always smiling! Throughout the weekend, and a few schedule and venue changes, Gilbert Young and Brad Hampson and all the members of the RCMP gave stellar performances, welcomed conversations and made many friends. I cannot honestly commend them enough for all that they did!

I have sent individual messages to Gilbert Young and Brad Hampson but please convey my best wishes and sincere thanks to all the members of the group - we hope to have them come back to join us again soon!

Best regards,
